To The Irving Pritchett Family:I read with sorrow of the loss of Irving. Please know you have my deepest condolences. May God comfort you during this difficult time. Please remember death is not the end. Almighty God has given his son, Christ Jesus, and through him we have the promise that our loved ones will be brought back to life in the resurrection. Although this promise does not completely take away the pain of missing Irving, I pray that it brings you peace and strengthens your faith.
