WoWWWWW I came across Papi names in my history so I clicked on it and I found you ladies going at it. I thought i was a close friend to Michael, he was such a kind MAN. I miss him so much I actually was talking to him that morning on the way to work but it was a bad connection. He did say he was divorced, he changed his number cause of some crazy lady... lol Im not on here to pass judgement but we all have something in common (MICHAEL) we loved, cared, and miss him in some form of it. Lets just keep his children and family in our thoughts and prayers. If he really meant anything to both of you please get in touch with your congress or senator to help pass a bill for the safety (OSHA) and regulations for the cell phone company and the cellphone tower technicians.Oh and we never discussed marriage or anything of any sorts we just was great friends and i really miss talking to him. Im sending my prayers from Kentucky. God bless you
