I had the privilege of meeting Frances Crawford almost 41/2 yrs.ago in our apartment complex. We bumped into each other one day and we introduced ourselves,and ever sense that moment ,we almost went a day without checking on eachother. She helped me with difficult times and shared wonderful wisdom with me. It will never be goodbye Frances, we will meet up again. You taught me that goodbyes are forever, so never say goodbye. It was always, talk to you later or see-ya, but our favorite saying was, see you later alligator, to which the other would say, in awhile crocodile. Not only was Frances my friend, I considered her to be a part of my family and forever I will cherish that, until we meet again. My thoughts and prayers go out to all her family and close friends which I heard many wonderful stories about many of you. God bless
