Dear Peggy, Thank you for sending the link. I did not know Stu, but Doc did. He told me that Stu was a kind and gentle man. He also told me that you took great care of him. I am sorry for your loss. May the memories that you created and the good times you shared, provide some comfort in this difficult time. You are in our thoughts and prayers. Joyce and Doc

Dear Peggy, Stuart will really be missed. All the conversations we all had. Both dogs sitting in his lap trying to take over the chair. Dempsey talking to both of us. Margaret

Dear Peggy and family, I just learned of Stuey's death and I am deeply saddened at the news! I was in Ireland when he died so I am sorry that I wasn't here to share your sorrow. I only knew Stu from the few times we got together for Mah Jongg, but I immediately was drawn to his kindness and pleasant personality. I know he is at peace now and I am sorry that I never had an opportunity to know him better. If you feel like calling me, Peggy, please do. I hope it helps to know I am thinking of you and share your sadness. Love, Dolores Moran

We will always remember our fun times at the pool floating (on our noddles) and talking with Stu each summer. Stu was a genuine, kind, and caring man. He was always engaged in great conversations and never complained. He truly appeared to love his life with Peggy and his pups. Our summers will never be the same without Stu. His smile and freindship will be greatly missed but never forgotten. Barbara & Frank Braccia

I first met Stu when I was assigned to work with him at IBM in 1984/85. He was a good friend and a funny man. I can vividly recall a picture he kept on his desk of the rear-end of an Ape. Stu, Bob Clemens and I would go to lunch together and have weekly dinner outings. Natalie and I did not attend his wedding ceremony to Peggy, but we attended a reception held later where we met Peggy. Stu was one of the few IBM colleagues with whom I kept in touch over the years. I am glad I got the opportunity to talk to him at the beginning of September. I was hoping to see him but he was gone before I got the chance to get to Annapolis. We will miss him, but at least the pain is gone. Our thoughts and prayers are with you, Peggy and you have our deepest sympathy. Hope to see you soon. Phil and Natalie Alter

Stuey was a real treasure. His smile was ever present right to the end. We shared good times and not so good times but we always shared them. I miss him and am so sorry that he suffered so. He was very brave and an amazing fighter. He loved life and he so loved me. I am so, so grateful for that. Rest in peace, Stuey. pm

Peggy, I remember the first time I meet Stu was at your wedding. it was a wonderful day and I felt very honored to be there. When I look at this picture of him, I realize every time i have seen him he was smiling. The last time i saw him was at New Canton and we all talked through our meals. I didn't see him often, but when I think of him it's his smiling face. That's what I will remember.
