No one was ready for Eddie to die, he was a healthy young man. How could he die? Why would he die? We must now find a way to carry on without him but he will always be in our hearts. Oh Eddie, if we had only known we would have you for such a short time we would have treasured our days together all the more. Be at peace. My condolences to his family and friends. Linda Corey

Please accept my heartfelt sympathies in the loss of your dear loved one. How comforting in knowing Almighty God has not only the power but also the desire to resurrect our loved ones. Jesus himself said: "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." John 5:28,29
