Ms. Vivian, I still can not believe you are gone. I will always remember your smiling face every Wednesday morning when I walked through the kitchen door. I will mostly miss our conversations about life and the lessons you taught me from your experiences. You and I would always have our laughs. I am so lucky to have crossed paths with you in life. I know you are with God now in heaven and at peace. If heaven has a slot machine I know you are on it and I hope you win the jackpot! Your Friend-Peter Zlupko US Foods

Vivian I will miss you but I will always carry the torch and family connections that you are hoping one of us will do. You will always be remembered for your gentle spirit and kind heart. You are gone in the flesh but never in the spirit. Rest in everlasting peace tell uncle Dusty, Grandma Rachel, Granma Eggy, Clayton, Rose, Tyrone I said not to get fat on all the food you will begin cooking. Until we all meet again.
