Michael....your mother always spoke about you with love and affection. You meant the world to her. I know personally of the joy she had traveling with you and your friends around the globe by the photos and maps she sent me. They were superior to any of Fodor:s Travel Guides. She was truly a splendid woman and will be deeply missed. My heartfelt sympathy to you and your father. Know that my thoughts and prayers are with you. Rita D. Knott

My condolences to Mr Lopez and Michael, she was one of the nicest people I ever met. It was my pleasure to deal with her and the whole family as we serviced their vehicles. She always brought us cookies and treats on holidays, and a great big hug. I will miss her so. Rest in peace dear woman, you will always be in my heart.Billy George

Dearest Joyce-What a clever and precious gift to give yourself on your birthday - a blessed return to your Spiritual Home, and freedom from your illness in physical body. My profound sadness is for your family, friends and flying partners, as we will miss you dearly. Many thanks for your sparkling smile, humor, hugs and memories; and, special thanks for being closely available. We know you are not gone, but have only changed form; and, that you remain with your family in love and life, just differently. Our prayers are with you with appreciation for the sweet handprint you leave on our hearts; and with your family for comfort, strength, and eventual peace. I hope all the memories of and with you will be kept alive and shared often! Blessed be, -Ann

For such a time as this the words of Helen Keller come to mind. "What we have once enjoyed we can never lose. All that we love deeply becomes a part of us." Blanche Harris
