I could never express what an awesome woman my sister, Nancy, was. We grew up together the best of friends. She was three years older than me and I always looked up to her, and wanted to be like her. She taught me all about life as a child and even later, as an adult, mentored me through troublesome times in my life. Even though, as adults, we lived miles apart, I knew all I had to do was pick up the phone and call her, and her encouraging words and love always lifted me up. The visits we had with one another always left my heart full of love, happiness, and never-ending memories. She was a Godly woman, and all that she did, and was, portrayed that. Just being near her made me feel the love of God. She always put others first, and had a natural passion for helping others. What an awesome and amazing lady! I love you, my sweet Sissy, I know you are in the arms of Jesus, and I am so looking forward to that day when I will see you again! It won't be long now! I will do as you have always told me..."Keep Looking Up!" Your loving sister, Judy

God's Garden God looked around his garden And found an empty place, He then looked down upon the earth And saw your tired face. He put his arms around you And lifted you to rest. God's garden must be beautiful He always takes the best. He knew that you were suffering He knew you were in pain. He knew that you would never Get well on earth again. He saw the road was getting rough And the hills were hard to climb. So he closed your weary eyelids And whispered, "Peace bethine". It broke our hearts to lose you But you didn't go alone, For part of us went with you The day God called you home. Our hearts are saddened that we can no longer see your smiling face. You are an awesome sister in our hearts and in Christ Jesus. We made a lot of memories together and we will miss you so much here on this earth. We will see you soon in Glory Land with our Lord and Savior. With all our love Joe & Becky

I was 5 or 6 years old when Nancy's family moved in next door to our family on 6th Street in Eastport, Md. She stole my brothers heart at first sight. (mine too) I don't really remember life without her being a part of our family. She was my sister too. The main thing about Nancy was she did not possess the curse most of us women have of gossip. She did not speak ill of anyone. She did not spread rumors or take part in gossip conversations. I was always amazed how she was so positive and always had a kind word and a smile. She was an amazing wife to my brother Den and their love is an inspiration. I feel blessed to have known and loved her and I will miss her tremendously. I know she is dancing and singing in heaven.

I have to add this, Several months ago when we had gone to visit Nancy and Den, I had broke down and hugged my sissy and sad" You are not going to see Jesus first" And then Friday October the 3rd the day before her departure, I told Nancy You are going to see him first aren't you sissy, with tears pouring down my face she smiled at me, and that smile i would not trade for Anything, Just hard to believe she is gone, GOD knows I Miss you Sissy!!
