Billy F. Moore

AUG 9, 1925 - OCT 17, 2014

Billy Fred Moore, a 2 year resident of Sunrise of Annapolis, passed away on October 17, 2014 at Mandrin House in Harwood, MD. Billy, born on August 9, 1925, was one of 11 children raised in Canton, North Carolina. He enlisted in the United States Navy at 17 and served aboard numerous ships in the Asian Theater during WW2 and the Korean War. He retired as a Senior Chief Petty Officer with 26 year's service after traveling the world with him family. After his Naval retirement, he continued a career with the NSA for 18 years, receiving numerous awards and commendations as a cryptologist. Retirement from the NSA in 1986 gave him more opportunities to travel with his wife Sandra in her career. They lived in many states and countries and his pleasure was building homes wherever they landed.

He attended Western Carolina State Teachers College in Cullowee, North Carolina and graduated from the University of Maryland with a degree in education. He also attended the Army Language School in Monterey, CA and spoke the Russian language.

Billy loved working and being outdoors. In retirement he worked for the Family Circle Tennis Center, Daniel Island, SC and Delaware State Park in Lewes, DE. He hiked on the Appalachian Trail and climbed Mt. Fuji in Japan. Not a sedentary man.

Billy loved and served his Lord, family, and country. The Bible was his greatest comfort. He had 2 daughters with his first wife, Jean Lowe Moore and helped raise 4 children with his second wife, Sandra Frasher Moore. He was preceded in death by his parents, Fred Moore and Lloyd and Ruth Cabe Parham; 7 brothers and sisters; wife Jean Lowe Moore; and wife Sandra Frasher Moore.

He is survived by daughters Billy Jean Mays (Arthur) and Marsha Moore Swatta (Chris); step children Robin Granofsky (Daniel), Eric Whittaker (Susan), Kent Whittaker, and Allison Looney (James); grandchildren Gregory Mays, Chip and Robert Swatta, Matthew and Alex Whittaker, Michael Geiger, Erin Davis, Jacob and Morgan Looney; sisters Winifred Henderson, and Francis

I worked with Billy sometime around 1962. He was a very entertaining coworker. This was during his duckpin bowling and plywood factory phase. Fred Steffens

We have truly lost a very special, one-of-a-kind person whose care, thoughtfulness, compassion, and friendliness will always be remembered. My family has many great memories of our time spent together with Billy & Sandy and are blessed to have had them in our lives. I always enjoyed listening to Billy's stories about his childhood, career, and all the places they have lived. He was extremely active and could run circles around all the rest of us. We will always cherish those memories and are thankful to have had such a loving, kind, and caring man in our family. - Greg, Lisa, Blake & Jack Frasher

First, I would like to say thank you to Marsha and Billy Jean and their families for sharing their father with all of us. Billy was an extremely rare man. He was the kindest, softest spoken man I have ever known. He took care of me after I had major surgery, Amy during a year of college on the eastern shore and pretty much all of us during his life at one time or another. He played the role of both mother and father for many years looking out for all his children, grandchildren, and great grandchildren. Billy was a God send to Sandy and her family. He raised his first family and then he chose to raise a second family. Billy was always referred to as Pop to everyone, including all of the nieces and nephews. He was there for all the ups and downs of their lives. And just a wonderful person. I can hardly remember one time that he raised his voice to anyone. And, if anyone could be a perfect person, Billy was. I feel positive that God reached out to Billy with open arms and took him right in his hands when he passed on into Gods kingdom. We were all blessed to have known one of the kindest men on earth. Thank you Billy (Pop).
