My heart weighs heavy as my sister, her husband and his family prepare to say their final goodbye's to their son Adam. Although I didn't have many opportunities to get to know Adam, I knew him very well through the love that his dad and stepmom had for him. I knew his love for his daughter Ryleigh and the love he had for the water. I know he made me feel like the biggest deal ever when he got me #1 male crabs to take to a party when crabs were unaffordable. Rest in peace Adam knowing you are loved by many and will live on in the hearts of all that knew you.
