It was only this morning that I learned of Peter's passing. My association with Peter goes back to the 70's. He was a valued business/ valuation mentor and friend. He served on the Board for two of my companies. I did sail with him on many occasions. We never won a race but we had much fun. I have not seen Peter for a few years although I did periodically hear from him. I trust that his death was peaceful. I will offer prayers for him. May God rest his soul. Richard J. Gillis

To the Gavian Family: I am truly sorry about your familys loss, and I want to offer my condolences. Even though death is a part of life, it's not always easy for us to handle and sometimes we may find it difficult for us to endure, but Gods Word the Bible gives us heartwarming comfort during our times of distress, one scripture in particular that gives much needed comfort is found at Revelation 21:3,4 which in part reads:"And God himself will be with them. And he will wipe out every tear from their eyes, and death will be nomore, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Again your family will be in my prayers, my sincere condolences.

Peter was a great friend and mentor. I particularly treasure memories of days spent sailing on the Chesapeake Bay as well as sailing back from Bermuda with Peter. May he rest in peace.--Craig Kettler

Peter Gavian was a good friend of mine, and one of my favorite people in the American Society of Appraisers. I remember sailing with him on his boat on Chesapeake Bay and seeing him at ASA meetings in Washington. I will miss him. Bill Redpath
