I remember Bobbie from helping her to take care of a "pink-eyed" kitten out at the old stone caretakers house near the dam at Pathfinder. Thank you for putting up with my effort. Thank you to your father, Willie, for the raccoon kit, Bobcat kit scar, and other amazing actual events that were always with the late W.G. McCracken. His wife, Billy, and oldest child, Darel We send our prayers and share these memories so that you know that none of us are ever alone. Sincerely, Darel L. McCracken
