Please accept my heartfelt sympathies in the loss of your dear loved one. How comforting in knowing Almighty God has not only the power but also the desire to resurrect our loved ones. Jesus himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." John 5:28,29

It was many years more than 40 years ago not long after the Supcoe family moved to Annapolis, that Ruby lead the trip for my Mom, Brother and I to visit the Naval Academy. Our families visited often and on another trip I remember going crabbing off a dock near their home. The excitement of that catch is well etched into memory. I remember Ruby's efforts keeping that single crab in the pot until it was steamed. We had our first taste of blue crab that day. So when I have crabs I remember fondly Ruby's efforts for us.
