Nancy, our thoughts and prayers are with you and your family. Tim and I were part of the original Kentland guys back in the 1950's. Went to school together from grades 2-12 and hung out with Art Yow and Burl Thompson, especially during Jr. High. What a great Cleveland Indian baseball fan he was. Hard to believe that's been more than 50 years ago. I'll always remember him as one of the nice, smart good guys from my childhood. Jim Hitt
