My condolences to the White family. I'm Billy that used to work at Adams Buick, that used to take care of their car when they had problems. I'll never forget Mr White coming in and always wearing a coat and tie, and they were just the nicest people to deal with. I also met their daughter a few times, and she was just as nice. It was great to see them all when they came in. They made me enjoy my job more just from dealing with such a nice family. Just know that you are in my thoughts and prayers. God bless you all Billy George

I had the pleasure of meeting Julia in the '80s. She attended a Tupperware party and I was the consultant doing the party. We became friends, and she decided to join me in the business. She was such a sweetheart; always had a smile on her face. I will be keeping Julia and your family in my thoughts and prayers. Fondly, Sharon Zangwill Toon
