# Vita Bianca Hill

AUG 18, 1989 - DEC 14, 2015

**M**y beautiful fiancé, Veta ‘Vita’ Bianca Hill, of Severna Park, Maryland, passed away at Anne Arundel Medical Center in the early afternoon of Monday, December 14th, 2015 surrounded by those who loved her so much. She passed from complications of a severe asthma attack. Vita was 26 years old. She was born on August 18th, 1989 in Syracuse, New York to Dolores ‘Dee’ Hill (nee DeCarlos) and the late Barry Wayne Hill of Oneida, New York.

Vita is survived by her fiancé Jordan Gregg of Severna Park, her mother, Dolores ‘Dee’ Hill of Oneida, New York, step father Nick Mondrick of Williamstown, New York, Uncle Chris and Aunt Alexis Person of Oneida, New York, sisters and brothers Brianne and Joshua Tysco of Munnsville, New York; Andrea and Mathew DiSalvo, of Oneida, New York; Chad and Ashley Hill of Munnsville, New York; 7 nieces and nephews Morgan, Braydon, Mallory, Dominick, Jacob, Mayson, and Kaden as well as so many aunts, uncles, cousins, and many friends and other family members that are too many to name.

Vita was Dee Hill’s only child. She was her light, her best friend, her world. The bond that they had was unlike any I’ve ever seen. Vita was her greatest treasure and gift - the best daughter a mother could ask for. Now she looks down over Dee in heaven as her guardian angel.

Vita was loved by so many - as she had a big heart and a generous spirit. She was a friend to everyone she met. Vita would give the shirt off of her back; the kind of person who would take in any stray or lost animal. That is just the way Vita was... kind, giving and loving. Vita had a glow about her that was infectious. You couldn’t help but to smile when she was around you. She continued to give even in death as she donated her organs as her last parting gift to others. I am so proud of my precious girl. (I am so grateful to The Living Legacy Foundation [www.thelf.org](http://www.thelf.org) for all of the support they provided to me and our family in our time of grief).

Vita was my princess, my everything, but most of all Vita was the love of my life. She brought me incredible joy and she helped me find beauty in a world that often times isn’t. The day I met her I

knew we would be together forever. She captured my heart with her love and beauty and I will always carry that with me - she is my sunshine. She filled a void that no one else could ever fill and for that I am truly grateful.
