So many great memories... It would take me days to tell them all... But my favorite would most definitely be all the long shifts together for many years and traditionally every night having our "shift cocktails" at the first table outside the "The Creek". Over-Looking beautiful Annapolis' Spa Creek. Always having a good time. No matter how slow it was or how terrible the tips were that night... All those "negatives" instantly went away when we were all together! Every night without fail for years. I miss those days, and they wouldn't be the same without our "Russian"! Love ya Bud. XOXO #CreekFamilyForeverAndAlways

RIP Alex....always ready with a laugh or to help an "old" guy carry his things...and a great hug I got every time I saw him. Going to miss you, Alex....way too soon, my friend.

I have too many memories with Alex to list them all. My favorite thing about him was his genuine loving personality. He was so deeply caring, compassionate, and personable. Alex charmed everyone he met with his smile and personality. He always had an infectious positive attitude when I was around him. I struggle with depression, and so many days and nights were spent with him doing everything in his willpower to make me forget my troubles. Alex was one of the most generous and supportive people I've ever met, and I feel blessed to have had the opportunity to have such a close, bonding relationship with him.

I haven't seen Alex since he left Romania, but when I think about him, the first thing that I remember is his big smile and the way he laughed. I am so sorry about his death...
