My dearest coda. When I got to hold you on my chest for the first and last time I knew my heart would never be whole again! You were so beautiful and mommy will be looking forward to the day when she can hold you like that again! All my love my precious little angel

My beautiful sweet granddaughter....my heart is broken at the thought of the memories we'll never have. I'll never forget your perfect, sweet face and how it felt to hold you and love you for the first and last time. But I know I'm going to see you in every butterfly and every rainbow. You're free to fly now, peanut.
