Sandy Mosso

SEP 29, 1943 - MAY 18, 2016

Sandy Mosso, 72, of Annapolis, Maryland passed away unexpectedly on May 18, 2016. She lived, she laughed, and she loved so many.

Sandy was predeceased by her fathers Steve Krupski and Mathew Valla and her mother-in-law Bessylea Mosso. She is survived by her loving husband Kirk Mosso; son Douglas Crockett; daughter Carrie (Dave) Machalek; grandchildren Cal and Ava Machalek; beloved mother Mary Valla; brother Steven (Pat) Krupski; sister Sharon (Roger) Hawkes; father-in law Stewart John Mosso Jr.; special Aunt Amelia Buran; former husband Doug Crockett; nieces Jennifer, Stacey, and Kelly; and many close friends and relatives.

Sandy graduated from Vestal High School before selling real estate for 39 years, first in the Endicott area and later in Annapolis. In her retirement she worked at the hospital Clothes-Box and the Naval Academy gift shop. She enjoyed golfing, reading, gardening, cooking, traveling, photography, feeding the animals, evening board games with Kirk, and spending quality time with her grandchildren whom she loved wholeheartedly.

She also adored her cats Emmie and Oscar. She was always there when you needed her and never missed traveling to Endicott for the kid's birthdays with her special homemade sugar cookies. She was an energetic and caring person that loved to start a good conversation, especially with a stranger. She loved making new friends and was always the life of the party.

She will be sorely missed by all of those that loved her. The family asks that donations be made to the ASPCA in lieu of flowers to honor Sandy's great love of animals.

My best memories of Sandy include her ever present smile and cheery "hello" to those she knew and those she didn't. Sadly, her busy life was cut way too short but Sandy lived her life to the fullest! I will hold happy memories of Sandy in my thoughts and prayers. Dot Gibson

Sandy was a wonderful person that I had the great pleasure of knowing. When we were paired together to play golf, I knew that no matter how bad our games were, we were going to have a fun time playing because we were together. She will be in my heart forever. Linda Crawford

Sandy touched a lot of lives. She was known by many in the community. A very willing and lively participant in many neighborhood activities: former women's club president, book club, bunco, community parties and events, and maj jong are just a few. 😞 We will miss her, she invariably had a good joke or clever take on something to share when passing her on one of our walks 😊 Our sincere condolences to Kirk and her family, Maria & Jack Levandoski

Sandy was kind. She provided lunch for me after I was operated on. She always provided delicious goodies for Bunco and Happy Hours. She was the best baker. She will be missed.

Sandy was one of the first people I met when I joined the Blue Heron golf league. She made me feel very welcome. She always said hello and asked how I was doing - such a small gesture but one that meant a lot to me (and to many others I am sure). I will miss her. Ginni Morani

I only knew Sandy through her work at the Clothes Box at the Hospital, but she always gave me her special smile when I visited and always made me feel like I was the only person in the Shop when we spoke. I will miss her vibrant smile and her wonderful heartfelt laugh. I wish her peace and life everlasting in Heaven. My condolences to her family. Sandy Wiseman
