Dear Bill and Kathryn, So very sorry to learn about the loss of your dear Pat. She was one of the most dedicated and successful teachers with whom I ever worked. She was a dynamic, thoughtful and kind person. I loved working with her. I loved calling her a very special friend. I regret that our lives drifted apart. I will remember that Pat not only loved teaching, but adored the two of you. She talked so often about the joy you both brought to her life. She felt so blessed, so happy that her life was a joyous one filled with love. May the beautiful memories the three of you shared live forever in your hearts. May God bless the two of you - always. Yours truly, S.

Our condolences to Bill and Kathryn . As a longtime friend of the family there was nothing that could prepared us for something like this. As a true friend Pat was always there whenever anyone needed anything and was always just a call always when anyone needed to talk. There was never a day that went by that her high spirits and loving ways didn't push us forward to do and be better. Pat will always be remembered as a loving wife, mother and friend. In Prayers, MeeMal & Paw Paw Bloom
