**Michelle Smith** lit a candle in honor of Reginald.

It was the shocking news that brought tears to my eyes. And you made me remember what it was like to cry. On that dreadful day, God decided it was your time, your time to go, So you gained your wings and flew away. Everyone felt the pain, the pain that you had been enduring for so long. It's harder than I ever thought life could be without you. So the family will always think of you, And we will always know that you'll be looking down on us keeping us safe, Making sure everything goes okay in our lives, Making sure that we live a good life just like you did We all miss you Unc Reg.Mike & Michelle Smith
