Marisa always had a big smile and hug for me whenever I saw her. She was a very insightful person who quietly taught us lessons about life, love and overcoming challenges. In her short life we are comforted to know that she did and will continue to have an impact on those people who knew her. Marisa's family and close friends are in our thoughts and prayers. For the many, many years I have known Marisa, I have never heard her speak harshly or say unkind words about anyone. She was harder on herself than anyone else, even when she felt that her burden was great and world lay heavy on her shoulders, she would still smile, giggle and have a kind word for others. My heartfelt condolences to her family, whom she spoke of often. Her smile and ever present giggle will be missed by her Arundel Lodge family.

Marisa was a bright light at the lodge. She was always smiling and laughing and was friendly to everyone. Having worked with her for several years in the residential program, I can honestly say she was one of the best clients I ever had. After moving to another program, Marisa always stopped by just to say hello and ask how I was. I will truly miss the joy she brought to the lodge.
