Ruby Lee Morris, 80, of Edgewater, MD passed away on Sunday, November 27, 2016.

Morris, and Debora Morris; daughter-in-law, Denise Brown; ten grandchildren and eight great-grandchildren. She was preceded in death by her son, Robert L. Brown, Jr.

I remember so many wonderful things about Ruby over the years, but the most striking were her kindness, consideration, and inclusiveness. She always made everyone feel welcome and included. There will be many who will miss her and the warmth she shared so generously. May she find that the best is yet to be. Pam Beard

Ruby was a beautiful human being and the best Mother In Law ever! She was always very welcoming, loving, supportive, and accepting. Our lives are so much better for having her in them! She was positive, and put a good face on everything, even with her long hospital stays and health issues. She loved her family very much and was wonderful all around! I'm pretty different from what she was used to with my natural lifestyle and vegetarian eating. She was encouraging, open, and always made sure there was food for me. She's an inspiration and her beautiful spirit will live on!
