Grandma Rosie, Blood couldn't have made us closer "FAMILY" is what you were, you were there for me when I had no one else. There's nothing you wouldn't do for me and nothing I wouldn't do for you. I remember coming home after giving birth to my son you said " I'm gonna take that baby boy, I'm gonna spoil him!" and you did just that not that you didn't love both of my children equally, you and my son shared a SPECIAL bond. Being a single mother of 2, trying work and further my education you were there. Nights that I worked late, was overwhelmed and tired you were there to help ALWAYS! The thought of you not being here is so surreal and too soon but GOD had other plans. This pain is indescribable. We are gonna miss you Granny! We love you always, Jasmine, Mirra and Jae
