Goodbyes are only for those who have love with their eyes. Because for those who love with heart and soul, there is no separation. I understand this meaning because I am & will stay connected with heart and soul of his pure positive energy for eternity. Love your daughter Dawn

Thank you so much JoAnn Altfather, my Dad was fond of you as well. Thank you so much for the bonsai and the two red tailed Hawks to honor him. It is so thoughtful and has such meaning for me, I will cherish the bonsai and its beauty. I remember my dad trimming , wiring the branches, taking such care of each plant. It brings a lot of memories we shared. ❤️

Ronald Elbert has many fine qualities. I came to know him as I became friends with his daughter in 1985. His daughter, Dawn and I have been friends for thirty-three years. As I came to know her, it was easy to see him in her. He loved Dawn Lisa more than life itself. He always called her his sweetheart. I thank him for my friend, Dawn Pitsenberger- his legacy.
