I remember how he always had good stories of when he was younger the memories he and Great Grandma had. Great Grandad always tried to make me and Caitlin laugh by poking us with his cane when we walked by and chuckled when we turned around. He used to always sit and watch Texas ranger with us for hours. He would love to see his grandchildren and offer us his sugar free icecream. I am glad we spent his last birthday with him and now he is up there with his love. I know he is watching over all of us and he is happy with Great Grandma now.

GGdad was often called buddy, he was my mother's moms father. He and his passed wife GGMom were a joy to be around. He always made you smile. I can remember times with him ever since i was a little girl, going to friendlys to eat all the time, going to ihop, and even just staying at his house and watching old sherrie shows with him. Most of all i remember and will miss buying him bananas all the time. who will i buy bananas for now, or a plate for at family events before mine, who will i help get into the car? I know you are still here though, you are keeping us strong buddy. May your memory live on forever and forever be appreciated due to your service in the army. Love you gg, Caitlin.
