Ros was one of those people who could light up a room by walking in. She was outgoing and never shy wherever she was. She lifted my spirit in one of the most difficult times in my life and told me to keep looking forward and that life would get better

Our deepest condolences to the family. Roz was such a loving, caring person. She took such good care of my husband and I. We will surely miss her bubbly presence and fun personality. She was more than a caregiver, she was our friend and a member of our family. Her willingness to always help anyone in need made her a blessing to so many people. Roz, we'll miss you always. Aunt Rozy...you are a big reason that Teigan has grown into the wonderful girl she is today. You treated us like family from day one and treated her as your own 'baby.' I will forever be thankful for you and we will miss you terribly. I hope you are walking fast in heaven and looking over us all. Love you...Erin and Teigan Kelly
