Dear Sandy and Family, we are absolutely devastated to here about Dennis. There are some people that you meet in life that leave a lasting impression and "Doc" was one. I very much enjoyed our conversations at pool night. I know how much he loved his family, he talked about you all, all the time. Doc was very smart and mechanically inclined. He could fix anything. I enjoyed him showing me his motorcycles and how much he enjoyed riding. He was just a fun guy to be around. We had a tradition at pool night that when one of our friends had passed, we would all do a shot and wish them well on their journey. Doc, I think we'll do 2 for you. Pool night will never be the same. Sandy and family, know that you are in our thoughts and prayers. Rest in peace my brother, I'll see you at the table. Rack em fish
