Dear Smith Family -- We were fortunate to share many great cruises with your parents and trips to Florida. Donald "always" seemed to love?? sitting next to me. What I loved most about him was his love of all of you but especially for your mom. We celebrated their 50th Anniversary on board and we were so touched by the emotion Donald displayed. We will miss the fun times with them and their visits to Myrtle Beach. God bless you all and may you have learned those valuable love lessons from your Dad. Bernice, we'll be seeing you and we know your loss. With love, Ginny and Skip Griffiths
