Rob was a dear friend of mine and I am saddened to hear of his passing . I had a bad feeling that something was not right when I tried to get in contact with Rob a few months back, but was not able to. He will be missed but not forgotten by all that were fortunate to know of his friendship here in California. Rest in Peace my Dear Friend. I will miss his stories, but his memory will live on.

Dear Family and friends, Please accept my heartfelt sympathy for the loss of your loved one. Revelation 21:4 promises: "And He will wipe out every tear from their eyes and death will be no more. Neither will mourning nor outcry nor pain be anymore. The former things have passed away." A world without death and billions brought back to life to enjoy it. May pondering on these future blessings provide comfort as you endure Robert's death. Please visit jw.org for further information regarding the beautiful future that lies just ahead.

We (CVHS Class of 73) are all in shock of hearing Bob's passing. He and I were particularly good friends, and he would generally call every few months to check in and ask about classmates. He had not mentioned anything about being ill, which makes this all the more sad. If someone from the family would be kind enough to let me know what happened, I would truly appreciate it.
