My sister, Shirley, has been a very spirited and independent woman, who has lived a very Christian life, even though she has been handicapped since birth with a very crippling bone disease; but this has not hindered her in having a very successful and full life. She has now discarded her wheelchair and is running the streets of gold in Heaven on strong new legs. My wife and I will always cherish the bond and love we have shared with Shirley. We love you Shirley, and we look forward to a great homecoming in Heaven. God Bless! (Brother) Bob and Mable Bassford

Aunt Shirley has always been young at heart and fun to be with. From my earliest childhood memories on, she always made me feel like she was so happy to see me or hear from me when I called. I never felt like she was handicapped or someone to feel sorry for. She was full of life and cared about everyone else's life. She knew everyone, loved every family member across the miles, and no one she met ever forgot her. Her smile and her laugh will forever live in my heart. I thank God for the miracle of her life, and answering her prayers to take her home to live with Him in a new heavenly body. We will always love you, Sandy and Billy Fisher (Daughter & son-in-law of Bob Bassford)

Shirley was a ray of sunshine when she rolled into any room. Her strength and courage were indeed an inspiration to all the lives she touched. My mother in law Helen, who struggled in her ending days, always said..'if Shirley can do it so can I'. We are honored to be considered her friends. And, so very lucky to have known her. Shirley will be missed!! Cindy & Bart Sherman
