He was a sweet, and gentle soul. Although, he could have bouts of minor road rage LOL. In all seriousness, I am so blessed that he briefly touched my life. Rest easy sweet man. We have been cheated :'(

Today, August 26, 2018, I will commemorate the life of a dear friend. He was the kind of person who would buy groceries for a family when his Co-worker was hospitalized. The kind of person who would give a grill to a new couple and tell them to discuss problems over a good meal. Mr. Rudd was the kind of person who made every interaction with him special. A couple of weeks ago we were planning for football Chilly and today I will wear his favorite pearls on me and say the saddest toast to commemorate a life of a small town hero and ambassador of Love. He loved people, of all walks of life. Today in our climate where race and social class dominate, he was a lover of all the good in humanity.
