Jessica, My dad and I won't be able to attend the funeral because of work, but please know that we are thinking about you every day. I know this is a hard time, and we pray that God continues to give you strength and comfort. I know my mom was one of the first ones at the gate welcoming your mom with open arms. Can you imagine those two friends reunited, feeling no pain, smiling, and laughing like no time past? I can, and it actually makes me somewhat smile. My dad and I love you and will be praying for you every step of the way. We are always here for you!
