Rosemary Adams lit a candle in honor of Brittni.

Melissa and Harold, So sorry for your loss Brittni was such a beautiful young lady I remember you bringing her up to the house one Saturday you guys where on your way out to an event that was the only time I really got to see her, but I can still remember her smiling face. She will be missed by all but she is in a much better place and she has earned her heavenly golden wings. My prayers goes out to you and your family. Love always Rose and Charles

I hadn't seen Brittni since she was a little girl, so when I hear her name , this is what I see: skinny little kid legs running all over the place, big, bright eyes, a joyful, goofy laugh, and a HUGE smile. She, and you, are very much in my heart. -Isadora Sageng
