The first time I saw Coach LeRoy was on the basketball court working with the Rivehawk team. His presence was impactful in the way he continuously encouraged and taught, never losing sight that he was a mentor to those young men. Though I only knew him a short while, I know he was a good man and good men will always be remembered. I thank God for putting Coach LeRoy in my life for a season. In prayer - Jessica

I only knew LeRoy for a very short period but he left a lasting impression. Over the last few years I had the opportunity to see him work with our men's basketball team. He never missed the opportunity to say hi and greet me with a smile. I watched him mentor our student-athletes and he was always concerned about their growth as young men. He truly seemed so happy to be out there with the team and he will be sorely missed by his Riverhawk family. - Duane H.

I met Mr. Spiver at Annapolis High School. At that time he was working as a Student Advocate. Mr. Spiver did exactly what his job title entailed and that was to Advocate for the students, and he did it with pride. Each year during Prom season Mr. Spiver would work with the male students, he taught many students how to tie a tie. I can remember him making arrangements with a few of the local cleaners and men's dress shops to donate a tuxedo, suit or whatever they had to offer so that each young man that wanted to go to the prom but could not afford to buy or rent suits, tuxedos would be fit with all of the necessities. No one was ever left without. Mr Spiver was a very private man, his smile would light up the room. I can't think of a time that I had seen him without a smile. Thank you Mr. Spiver for your service. You will be greatly missed but never forgotten.
