Sarah Palmer posted:

Joyce and I were best friends for many years after we became acquainted in high school. I am heart broken that we never made amends as we were like sisters for many many years even though totally different in so many ways but also much alike. Our birthdays were two days apart. I loved her but things happened and we became distant. I had introduced her to Larry while we were in high school and who later became her husband. R.I.P. Joyce... I never ever forgot you and the many wonderful times and trips to Kiawah Island we shared. You were a beautiful woman and a great friend..
