Dolly you were not to leave us so soon. I did not know you were ill and having heart problems or in AAMC—OMG girl! We will leave the back porch lights on for your homecoming. Love you and gonna miss you and your sense of humor! Chick you and the family need prayers to digest all of this. I pray the Lord will bless you and surround you with loving arms. Peace be with you and the family. Dolly was a neat friend while in H.S. Glad the family was with you at the last crab feast. The Lord will be next to your side while enduring this loss.
