Maria Scott posted:

On behalf of Rose's family at Chesapeake Eye Care, I want to express our deepest sympathy and sorrow of the loss of our beloved Rose. Everyday, Rose would greet co workers and patients with her warm smile. She had such a wonderful quiet confidence and desire to make things better. She always gave of herself, her knowledge, and her time to assist any and all of us in whatever capacity she could. The office will not be the same without her. We are saddened and heartbroken and there will remain a huge void in our work family. Our hearts go out to her family, her husband, her sons, all of which she loved deeply. We all loved you Rose. Our thoughts are with you, Maria Scott
