Ms Sylvia, Bus 150!!!! Ms Sylvia always had a smile on her face and such a very pleasant spirit to be around... when I would be driving south she'd be driving north... She definitely had a Hammer on the Pedal... That would be my 3rd or 4th chance to say Good Morning Bus150 and a very quick wave in passing each other on the road! It hurt me to my Heart to Hear of Ms Sylvia's passing... we shall see each other again....I'm going to miss you! To The Family, I'm praying for you all and the rest of this world... My Condolences 🌹🌹🌹

Condolences to the family, I am so sorry to learn of this sweet woman, passing. She was so absolutely sweet, so sad and heartbreaking to learn of her passing from such a horrific sickness, I am still trying to wonder how such a beautiful woman with an outgoing personality, a giver of our society would give her all, breaks my heart, she let nothing stop her gave unconditionally as that was her will of God, Sylvia felt like a sister to me, she embraced you with nothing but kindness, her laughter was rock bottom, I still hear her laugh, and to watch her that radiant smile beautiful, when she hugged you it was genuine, we had many a talks, always excited to hear from you, I could go on however, I feel you know my heart, she will always be there spiritually in my heart, you are family to me Sylvia going to miss our talks, I know you are in heaven RIP sweet ANGEL until we meet again God has another angel at home now, love you to the Moon and back, no matter the distance we will be there in our hearts, take it easy your co-worker and sister Maureen Emerson, Bucky my fiance as you know him, my sister Pat...
