William has been a friend for many years and his intelligence, wit, and wisdom will be missed in our monthly gatherings of the Spiritual Exploration Group. A mutual friend knew William and thought we should meet. William then became a part of our spiritual family. His spirit will continue to be with us and we will continue to love him. Our sincerest condolences to the family.

William and I shared a great love of Ken Wilber's writings. We enjoyed many discussions about Ken's philosophy and spirituality. William had an expansive understanding and a profound connection to the deeper truths of life. William was a beloved member of our "Spiritual Exploration Group" that my wife, Rosemary, and I co-founded. He always brought his insight and his humor to our times together through the years. He will be sorely missed. William is a light in the world and he will always be a light in my life!
