I have so many fond memories that will keep me smiling when I think of you & when I look up I hope to see your beautiful face smiling down at me.~~~~Grandmother~~~Author Unknown
 God looked around his garden And found an empty space. Then he looked down upon this earth And saw your tired face. He put his arms around you And lifted you to rest. God's garden must be beautiful He only takes the best. Love you Grandma, I'll miss you.
