So many great Broadneck High School Sailing travel memories especially! All night road trip to Chicago enduring Andrew and Scott playing Bebeep Jeep in the seat in front of me. And Scott getting food poisoning along the way then went on to finish a race first with Andrew at the national championship! How about the presidential style caravan with our black SUV's and American flags and accidentally leaving Erin and Kate behind at one point. I loved Scott's sailing intense drive on the water coupled with his easy going way off the water. We will miss him! Jill Bennett (Jessica's Mom)

From Grandma and Grandpa Bankert: Scott, In your short life you brought us enormous joy. Your expressive smile, your determined look when racing cars at Rehoboth Beach, and your laughter at the Water Park made us look forward to every visit. But, your most endearing trait was your kindness. You went out of your way to assist Grandma when she was walking slowly behind us on many family occasions. Rest In Peace. You will always be remembered in our hearts. We love you, Grandma and Grandpa Bankert
