Dear Family of Leon Myers:I met Leon a few years ago at the City of Bowie - A friendly smile and caring nature and wonderful attitude along with a heart for God is how I describe Leon. Leon was so full of energy and so pleasant to be around. Leon was always thinking of others - giving out water to Seniors at the Park, buying basketballs for the Youth Group, giving rides to co-workers, etc. Thank you for your service to our country, Leon, and thank you for being a friend. May God Bless your Family and bring comfort to them.Diane
