Greg Lasek was one of the most thorough, and hard working individuals i have ever encountered in my life. I thought i worked hard until he came along and trumped my efforts. If a man on this earth was ever defined as a machine. you could just stick a picture of Greg Lasek as the Promo. He was the most honorable and Loyal Co-Workers i have encountered in this lifetime and he will be missed Dearly. My extreme condolences, go out to his Family for their lost. R.I.P. Greg, you were the best.

I thanked God today that I had the privilege to call you my friend, you brought joy in my life, and everyday I come into work I get sad because you aren't here, I see your cat that you fed every single day sit and wait for you, and my heart hurts, I leave from work and hear you say see you Monday! And you giggle because it is Monday, you brought so many people joy, EVERYONE has nothing to say but positive thoughts and what a hard worker you were and how we just can't believe that you are gone. You were loved by everyone at Toyota and will be forever missed! I keep hearing story's about you and it makes my heart fill with joy that not one person can ever say anything out the way because you were an amazing man. Thank you Greg for being my friend and reminding me that people can be kind and caring, I had forgotten that until you came into my life! You are forever in my thoughts and I am praying for your mum and family!
