## Jason Smith

DEC 19, 2020

**J**ason Robert Smith passed away on Saturday, December 19, 2020, after a 19 month battle with an aggressive form of kidney cancer. He was 37.

Jason was born on June 17, 1983, in Annapolis, Maryland. He was a proud Head Supervisor at Air Gott Services where he worked for 18 years.

On October 27, 2013 Jason married his wife Clarice Smith who he met in 2009. 5 years later on October 26, 2017 their son Hunter was born. He would spend his free time hanging out with family and close friends Bryan, Jesse, and Zoey Cobert. A favorite pastime of his was gazing out onto the ocean at Myrtle Beach, South Carolina or aboard a Disney Cruise in the Carribean.

He had a passion for Chevy's, tattoos, and anything camo. It was a lifelong dream of his to purchase a Chevy Silverado that he could enjoy with his family, especially his son. He achieved that goal this past Summer and was able to pass that love of Chevy trucks onto his son.

In addition to those noted above, Jason is survived by his parents, Timothy and Valerie (Schier) Smith, sister, Jamie Smith and niece, Makenzie Allan.

Jason was a fighter. Even though he had his own battle to fight, he was always thinking of others. Please consider donating to St. Jude in his honor ([www.stjude.org](http://www.stjude.org)). In the words of Jason, "F#@k Cancer."

Services will be private.

Even in a sandbox filled with corn...Jason was happy, just as long as he was with Clarice and his little man, Hunter.

Jason will be missed by so many. I was in awe of what a wonderful father he was. The image that always stays with me was at his son's (Hunter) birthday party. Everyone gathered together to sing "happy birthday " to Hunter. When Hunter realized that everyone was staring at him, he gradually began to cry. He then turned with both arms for his dad. All fathers strive to be that source of comfort for their children. Jason always was. I've included our favorite picture from that day. He will be missed dearly. - Tim

Jason was an integral part of our family. He was a wonderful husband to my daughter, an unbelievably amazing father to Hunter and a greatly loved son-in-law, brother-in-law and uncle to the rest of us. We had the opportunity to vacation with Jason, Clarice and Hunter last December, spending our week sharing a cabin together and enjoying Tennessee. Every step of every activity, Jason proudly carried his beloved son, Hunter, on his shoulders. No matter how steep the hills were in Gatlinburg, no matter how tiring it was to traipse through Dollywood and no matter how tired Jason was, he proudly carried his son. We didn't know how he did it, but it was what Jason wanted to do. It made him happy. I am posting a collage of photos taken while on this trip. Jason asked me to take the one in front of the "Little Bear Winery", so that photo is especially near and dear to my heart. I feel extremely blessed to have spent this time with Jason. He is greatly loved beyond words and will be unbelievably missed beyond words. There is a huge hole in our family without Jason and it will be a difficult journey without him. With that being said, I want to express my sincere sympathy for Jason's family. I am so sorry for your loss. If we can be of any help to you, please do not hesitate to reach out to us. Jason was a gift to us all and we are incredibly blessed to have been the recipients of his presence. Tracy
