Martha was such a lovely person. She and her husband, Donald, were guests in my home in Cypress, TX while my parents were living with me. Donald and my father (Herbert Shearer) were cousins. My sincere condolences to the family. Kathy Shearer

Would just like to offer my condolences in the passing of Martha. We worked together in C.M.R. and it could get harried but she maintained her cool. Both Martha and Donald were just very nice people and the last time that I saw them before they moved was at O'Charley's.
