It is with great sadness that the family of Beverly Good announce her passing on January 28, 2021, in Annapolis, Maryland at the age of 52. Beverly was born on June 18, 1968 in Atlanta, Georgia, to parents Peggy Jordan and Gerald Matthews. Beverly was a career member of the Senior Executive Service and served as the Director, Field Operations, Baltimore. Prior to this position, she served as Port Director for the Port of El Paso for U.S. Customs and Border Protection (CBP). A career civil servant, Beverly was very devoted to the CBP mission and immensely proud of the men and women under her command. She loved her family, and especially enjoyed spending time with her husband, daughters, and grandchildren. Beverly genuinely loved and cared for those around her. Her infectious personality always brought joy and laughter to her family, friends, and colleagues. Her favorite color was purple and she loved to break out in song and dance. She often said, "I wear my heart on my sleeve." Beverly was a true Georgia peach!

Beverly made me feel like I was an integral part of her team, even though I was a contractor. We accomplished a lot in those days, including machine readable travel documents and support for ePassports. Bev was so much fun! We laughed a lot, but made sure we accomplished the mission. She became a good friend and I will miss her dearly.
