I am so very saddened and devastated to hear of the loss of Suzanne, one of my best friends since Kindergarten. Suzanne was the first person in this world to show me unconditional love and kindness. To this day, I have never met a more selfless woman. As young girls, Suzanne would share everything she had w/ me. At age 9 or 10, Suzanne saved enough money to buy me the most cherished gift I have ever received, which I still have - a gorgeous sterling silver bracelet, w/ my name in Italics on the outside, and inside she wrote, "To my best friend, yesterday, today, & tomorrow. Love, Suzanne". Although she never got a chance to meet my daughter, Ava, Suzanne never forgot her birthday, even sending her the most gorgeous bouquet of flowers when Ava turned 13 this past December. My Ava loved Suzanne, and was so excited to meet her. We planned on seeing her two weeks after her passing. It has been the most devastating month of my life. Heaven truly has a beautiful angel.
