Roy Mark Everhart

JAN 30, 1950 - MAY 11, 2021

On May 11, 2021, Roy Mark Everhart (71) loving father, grandfather, brother, uncle and friend, passed away peacefully surrounded by family at Anne Arundel Medical Center.

Roy was born on January 30, 1950 in La Plata, Maryland. One of eight siblings, he was raised in College Park, MD and remained in Maryland until 1998. After suffering a stroke in 1998, Roy moved to Vacaville, California with his sister, Joyce and brother in law, Marv. He remained in California until 2020 when he moved back to Maryland to be closer to his children and grandchildren.

Roy worked in construction and became a master in his field. He could build anything and would often help friends with large projects. People would say, he was a jack of all trades.

Roy was a friend to everyone he met and made you feel like family immediately. His outgoing personality could brighten even the darkest day. A social butterfly, he could strike up a conversation with anyone and never forgot a name. The simplest pleasures in life brought great joy to Roy. He loved to sit and look out the window and watch the squirrels and birds. Napping in his chair with his grand dogs, Luna, Honor and Scotty. Enjoying his evening cherry vanilla ice cream and you always had to have a supply of Oreos for an afternoon treat.

He is survived by his children Jeffrey Everhart (Kimberly) of Pasadena, MD and Jake Everhart (Aleasha) of Laurel, DE. His grandchildren Matthew Zinkgraf (Morgan), Makayla Everhart, and Jay Everhart. His siblings Joyce Hatch (Marv), Tim Everhart (Nita), Linda Zoller, Rex Everhart (Sue), David Everhart (Laurie), Jan Walker (Butch) and his ex-wife and friend Elizabeth McGinniss. A loving Uncle to many nieces and nephews.

Preceded in death by his parents Horner and Alma Everhart, his brother Jerry Everhart, and his brother-in-law Chuck Zoller.

There are too many memories to choose only one. For a couple decades, you were my brother, our kid's Uncle Roy who snored too loud and laughed heartily usually causing us to all laugh with you. I know we'll meet again. Until we do, I hope you are at peace and know you are loved.

We were not close to Roy but he is fondly thought of in our household. Joyce and Marv purchased a new truck shortly after Roy came to stay. It has a back seat but is only a 2 door making it a little difficult for Roy to get in and out of. They made the decision to sell their truck and acquire one that worked for them all. We were so grateful that they offered the truck to us at an affordable price when we were on a tight budget. The truck was only a little over a year old. That was 23 years ago. The truck is now 24 years old and it's still going strong. We fondly thank Roy for our good fortune and will continue to for as long as our truck keeps running. We are so sorry for your loss. Our condolences to his family and friends. May he RIP.
