Joanne Elizabeth Westerman

FEB 2, 1968 - AUG 10, 2021

Joanne lived every day of her life on her own terms. She was highly esteemed by all her Tribes and made lasting contributions to her cherished communities.

Her Bright Spirit was that of a Warrior, blazing her distinct path of exploration with integrity and humor. Though her body was ready to rest, her legacy lives on in the love she shared with those blessed to know her, both human and animal kind. Her deep bonds made everyone feel as if they were her best friend. It will be impossible to forget her ever present smile and her desire to live to the fullest.

Joanne was perfectly imperfect- "Nobody's Perfect!" She was constructive in her criticism and generous in her encouragement. She brought out the best in those around her.

Her choice of a private green burial was her last commentary on loving our Natural world and practicing good stewardship for all its inhabitants.

She will remain a part of all who knew her and be truly and deeply missed.

Information will be coming regarding a memorial scholarship fund established in her name for donations. An open Celebration of Life will be planned in the coming weeks.
